

curving over the hips, and the coat has the latest "swing," which is produced by suspending the fullness from the shoulders.

The embroidery is of an unusually excellent design, while the hat cannot be surpassed as an adaptation of classic picture shape to practical modern uses.

ETIQUET OF THE FLAG

Here are the correct ways to display the United States flag:

The flag should be raised at sunrise, or after, never before.

The flag must be lowered at sunset. It is a mark of disrespect to fly the flag through the night.

When the flag is hung against a wall, the blue field should be in the upper left hand corner if the stripes are horizontal, or in the upper right hand corner if the stripes are perpendicular.

Bunting, for decorations, should be placed with the red at the top, white below and blue at the bottom.

A flag used as a street banner should be hung across the street at an equal distance between curbs.

United States laws forbid the use of the flag in registered trade-marks or for advertising purposes.

In no case should the flag be allowed to touch the ground.

A flag reversed, with the blue field down, is a sign of distress.

To display the flag at half mast, in case of national mourning or other calamity, the proper way is to raise it to the top then lower it a little. Before it is lowered, it is proper to raise the flag first to the top.

On the death of a president, the flag should be displayed only one day at half mast, according to regulation.

The flag is at half mast only half a day on Memorial day. At midday the flag is raised to the top of the staff, where it remains until sunset.

June 14, the anniversary of the adoption of the flag, is Flag day.

DESIGN A BATHING SUIT FOR ME

BY BETTY BROWN

On the opposite page is the second form on which you are to help me design a bathing suit. Pencil, pen and ink or colors, it makes no difference. But water color doesn't work very well on this paper.

Use your own judgment, but get busy and outline your ideas. This design, like the one yesterday, will be printed twice more. All together, there are four different diagrams, each of which will be printed three times.

That means you will have plenty of different diagrams on which to indicate various ideas. There are no re-

strictions of any kind. Draw as many as you wish and send them all in.

Remember that the two girls who give me the best ideas for my own 1917 bathing suit will be rewarded by beach togs of their own design, each suit to cost a maximum of \$10.

The final picture will be printed Saturday, April 21, and all drawings must be in The Day Book office by the following Saturday evening.
